FROM THE VAST VICTOR CATALOG
OF RECORDED MASTERPIECES

Today . . .

—at thousands of record shops and counters a musically-awakened nation is buying the music it wants—the Victor Records which it prefers. Such a list, representing the purchases of several years by the entire nation, is "The Music America Loves Best"—the music which a nation wishes to hear again and again.

The following pages are given to a careful listing of these favorite great musical performances, all listed in the Victor Catalogue.

More than ever, with keener musical tastes cultivated through the medium of fine radio programs, musical motion pictures, and a new high standard in concert performance, the nation is not only more critical of its music, but also desirous of bringing it closer to the heart and to the hand. Thus it is that the "Music You Want When You Want It on Victor Records," is also the Music America Loves Best.

But in addition to this list of more than 200 long-time favorites of a nation, one must not lose sight of the vast Victor Catalogue itself which lists more than 7500 selections performed by the World's Greatest Artists. To this great Catalogue each month is added a "supplement" of new Victor Red Seal Records and a "supplement" of new Victor Black Label Records. These "supplements" and catalogues are available at all Victor Record dealers.

Also manufactured by RCA Victor are Bluebird Records of Popular dance tunes, Old Familiar and Race Tunes, Cajun, Irish, Mexican and an outstanding repertoire of Children's records.
